Alumni Reception - 2016

We are again holding our alumni function this year at the annual AAPS Meeting in Denver, CO as an evening event. You are invited to be our guest for a reception on Monday evening, November 14, 2016 from 5:00-7:00 PM in Centennial Ballroom G of the Hyatt Regency Denver located at 650 15th Street. We hope this event will provide you with an opportunity to see some of your old friends and fellow alumni.

We look forward to seeing many of you there! Thanks!!
